Man. That's hard to answer. (pause, thinking) I think if I had kids I wouldn't give any of this stuff to them. Its not because there's any really bad language or anything like that. It's not about the risque or sexual jokes either. There is, a little bit but its no better or worse than what's on TV these days. It's definitely cleaner than the kinds of things you would hear on a schoolyard during lunch these days. I guess I wouldn't want my kids to be cooler than me. (laughs) I know, I'm not very cool. Adults either get it or they don't. We got this pretty angry email from some religious guy once. But then again we got some pretty funny stuff from this old guy who collects bird nests and shotguns. He wanted us to do a 'Magnetic Banana' card. I mean, what the hell is that? (laughs) Tijger said he is thinking about it. (nervous laugh) Okay, I admit it. I am just scared of getting cock punched by the super again.
